Dear Users,

The SDTM Library has started “Covid-19: Remote Library Support” for its users.

Under this provision, the library users (faculty, staff, scholars and students) can seek remote information support from the library. This service is being provided to meet the gaps in support that our users might face inspite of our existing remote access to eresources.

The library has a team of dedicated Liaison Librarians, each of whom is attached to an every Centre/ School. Please visit link to know your Liasion Librarian <http://library.tiss.edu/?q=node/31>

Users can contact the concerned Liaison Librarian for any type of information support. This support includes providing journals articles, book chapters, bibliographies, etc.

Users are requested to check the our online catalogue <http://opac.tiss.edu/> and library portal <http://library.tiss.edu/?q=node/12> for eResources before making a request.

Assuring you the best of our services at all times.

Team SDTM Library
