global warming ?

▶ **Search Options** | Basic Search | Advanced Search | Visual Search | Search History

Welcome to EBSCO's Basic Searching on EBSCOhost tutorial. In this tutorial, we will look at conducting a search from the Basic Search screen of EBSCOhost.

We'll begin by conducting a Basic Search on *global warming*. Enter your search terms and click **Search**. Or you can view available limiters and expanders by clicking on **Search Options**.

Search Options		Reset
Search modes <ul style="list-style-type: none"> <input checked="" type="radio"/> Boolean/Phrase <input type="radio"/> Find all my search terms <input type="radio"/> Find any of my search terms <input type="radio"/> SmartText Searching Hint 	Apply related words <input type="checkbox"/> Also search within the full text of the articles <input type="checkbox"/>	
Limit your results		
Full Text <input checked="" type="checkbox"/> Image Quick View <input type="checkbox"/> Published Date from Month <input type="text"/> Year: <input type="text"/> to Month <input type="text"/> Year: <input type="text"/> Publication Type All <input type="button" value="▲"/> Periodical <input type="button" value="▢"/> Newspaper <input type="button" value="▢"/> Book <input type="button" value="▼"/>	References Available <input type="checkbox"/> Image Quick View Types <input type="checkbox"/> Black and White Photograph <input type="checkbox"/> Diagram <input type="checkbox"/> Illustration <input type="checkbox"/> Chart <input type="checkbox"/> Color Photograph <input type="checkbox"/> Graph <input type="checkbox"/> Map Scholarly (Peer Reviewed) Journals <input type="checkbox"/> Publication <input type="text"/> Number Of Pages All <input type="button" value="▼"/> <input type="text"/>	

Under the **Search Options**, it is easy to limit or expand your search results. You can choose from one of the available Search Modes and depending upon the databases you have chosen, you may see the ability to limit a search by Full Text articles, Scholarly (Peer Reviewed) Journals, or a particular publication that you enter in the field provided. After applying limiters and expanders, click **Search**.

The screenshot shows the EBSCO Academic Search Premier interface. At the top, the search term 'global warming' is entered in the search box, with 'Search' and 'Clear' buttons. The page displays 13,570 results. On the left, a 'Refine your results' sidebar is highlighted with a red box, showing filters for 'Full Text' (checked), 'References Available', and 'Image Quick View'. Below this, a 'Publication Date' range is set from 1950 to 2010. Under 'Source Types', 'All Results' is selected, while 'Academic Journals', 'Magazines', 'Newspapers', and 'Books/Monographs' are unselected. The main results area shows two entries: '1. Embarking on a great experiment.' and '2. A Climate Change Corrective.'. Each entry includes the author, publication details, a brief abstract, and a 'HTML Full Text' link. On the right, there are sections for 'Related Images' and 'Research Starters - Business'.

A Result List is displayed and defaults to showing All Results. It is easy to limit your results using the limiters under **Refine your results** on the left. The Result List can also be filtered to view results by source type, such as Academic Journals, Magazines, or Newspapers, by clicking the checkboxes next to the desired source type and clicking **Update**.

The screenshot shows the EBSCOhost search results page. At the top, a navigation bar includes links for 'New Search', 'Publications', 'Subject Terms', 'Cited References', and 'More'. The 'Sign In' link is circled in red. Below the navigation bar, the search criteria are displayed: 'Searching: Academic Search Premier | Choose Databases >>' and the search term 'global warming' in a search box. The search results are shown in a 'Result List' format, with '3 of 13570' results displayed. The selected result is for 'E.P. Yay.' by Jonathan Chait, published in the 'New Republic' on 7/8/2010. The page includes a 'Tools' sidebar on the right with various actions like 'Add to folder', 'Print', 'E-mail', 'Save', 'Cite', 'Export', 'Create Note', 'Permalink', 'Bookmark', 'Listen', and 'Translate'. The 'Sign In' link and the 'Tools' sidebar are both highlighted with red boxes.

You can print, email, save, cite or export a single result from the Detailed Record when you click on an article title link. To print, email, save, cite or export multiple results, add them to the folder, then click the appropriate icon inside the folder. Folder contents can be permanently saved by clicking on the **Sign In** link, and then setting up a personalized My EBSCOhost folder account at no charge.

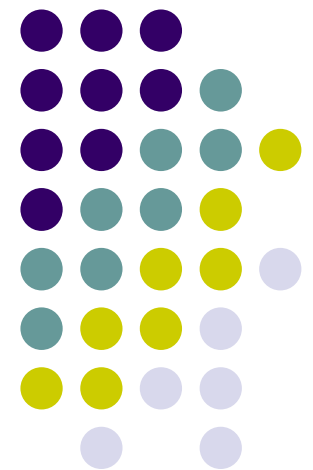

The screenshot shows the EBSCOhost website interface. At the top, there is a navigation bar with links for 'New Search', 'Publications', 'Subject Terms', 'Cited References', and 'More'. On the right side of this bar, there are links for 'Sign In', 'Folder', 'Preferences', 'Languages', 'New Features!', and 'Help'. The 'Help' link is circled in red. Below the navigation bar, the main content area is titled 'EBSCOhost Research Databases'. It includes a search box with the text 'Enter keyword' and a dropdown menu for 'All words'. The main text describes EBSCOhost as a powerful online reference system and provides information about the support site and how to use the help system. A 'Help' icon is mentioned in the 'How to Use Help' section. On the right side of the page, there is a 'Tools' section with various utility links like 'Add to folder', 'Print', 'E-mail', 'Save', 'Cite', 'Export', 'Create Note', 'Permalink', 'Bookmark', 'Listen', and 'Translate'. The browser window title is 'EBSCO Help - Windows Internet Explorer' and the address bar shows 'http://support.ebsco.com/help/index.php'.

At any time, click the **Help** link to view the complete online Help system.

- Welcome to EBSCO's Conducting an Advanced Guided Style search on EBSCOhost tutorial. In this

The screenshot shows the EBSCO Academic Search Premier interface. At the top, there are navigation tabs: "New Search", "Publications", "Subject Terms", "Cited References", and "More". On the right, there are links for "Sign In", "Folder", "Preferences", "Languages", "New Features!", and "Help".

The main search area features the EBSCO logo and the text "Searching: Academic Search Premier". The search term "global warming" is entered in the search box. Below the search box, there are two "AND" buttons and empty input fields. A dropdown menu is open, showing a list of search fields: "Select a Field (optional)", "TX All Text", "AU Author", "TI Title", "SU Subject Terms" (highlighted), "AB Abstract or Author-Supplied Abstract", "KW Author-Supplied Keywords", "GE Geographic Terms", "PE People", "PS Reviews & Products", "CO Company Entity", "IC NAICS Code or Description", "DN DUNS Number", "TK Ticker Symbol", "SO Journal Name", "IS ISSN (No Dashes)", "IB ISBN", and "AN Accession Number".

Below the search area, there are "Search Options" and "Limit your results" sections. The "Search Options" section includes "Search modes" with radio buttons for "Boolean/Phrase", "Find all my search terms", "Find any of my search terms", and "SmartText Searching". The "Limit your results" section includes checkboxes for "Full Text", "Image Quick View Types" (Black and White Photograph, Diagram, Illustration, Chart, Color Photograph, Graph, Map), "Image Quick View", "References Available", "Scholarly (Peer Reviewed) Journals", and "Publication Type" (All, Periodical, Newspaper, Book).

- Guided Style searching allows you to simultaneously search for different terms in varying article citation

EBSCOhost Research Databases

EBSCOhost is a powerful online reference system accessible via the Internet. It offers a variety of proprietary full text databases and popular databases from leading information providers.

The comprehensive databases range from general reference collections to specially designed, subject-specific databases for public, academic, medical, corporate and school libraries.

EBSCO Support Site

EBSCO's [Support Site](#) is available 24 hours a day, 7 days a week. Our FAQ database, tutorials, and user guides can provide answers to your technical questions.

EBSCO Customer Support Representatives are also available by [phone](#) and [e-mail](#) 24 hours a day, Monday through Friday, as well as Saturday and Sunday from 9 a.m. to 5 p.m. (US EST).

How to Use Help

- When the Help icon appears, you can click the icon and help for the screen you are on will display.
- To obtain help for the database(s) you are searching, click the Help icon to the right of the **Find** field and click on the Database name at the bottom of the left-hand side of the Help window. Database help is also available from the Choose Databases window.
- To view the entire Help System, click the [Help](#) link at the top right-hand corner of the screen.

Note: The recommended screen resolution for EBSCOhost is 1024 x 768.
