Cyber Libraries

24X7 Facility For Enhanced Learning Experience

- **Cyber Library for Masters' Students:** A state of the art , 24X7 facility is created for masters students on the first floor. This air-conditioned computing facility has provision of over 92 study places, where each user has a desk with ample reading space and a desktop with 1Gbps internet access.
- **Library is part of National Knowledge Network(NKN) and gets 1 Gbps internet access.**
- **Cyber Library for PhD Scholars:** Since the requirement for study ambience is different for scholars, a state of the art facility is created for MPhil/PhD Scholars on 3rd floor. This has provision of desktops with internet. Students have access to WiFi and about 50 scholars can study here peacefully.
- **Central Printing Facilities:** Library prides printing facilities in a distributed manner. All cyber libraries have heavy duty printers to support student requirements. A total of FIVE networked digital printers across different floors of library.

Cyber Library (Masters): Two (First Floor)
Cyber Library (PhD) : One (Third Floor)
MK Tata Centre : One (Ground Floor)
Inflibnet Centre : One (Second Floor)
