Sir Dorabji Tata Memorial Library
Tata Institute of Social Sciences MUMBAI

etd @TISS

Institutional Repository for Research Output

SDTM Library has set up archiving facility for the research community, using open source DSpace. TISS Community can archive their preprints, post-prints and other scholarly publications. This will facilitate researchers and faculty in self archiving and long-term preservation of their scholarly publications, provide easy access to them worldwide and improve impact of their research. All MA Dissertation and PhD theses submitted to TISS are made available at *http://dspace.tiss.edu/jspui*

Most extensively used service with over **3.7 lakh downloads/views** every year.

etd@TISS Digital Library is organised into following content types:

- Dissertations and Thesis (12,583)
- Institutional repository(Faculty Publications, Project Reports) 444
- Content for Visually Chalenged Students(Braille Collection) 31
- Question Banks for Sem-end examinations (608)
- Content can be browsed by Author, School/Center, Title and Subject

Shodhaganga: A Reservoir of Indian Theses and Dissertations (INFLIBNET)

- TISS has signed an agreement with UGC Inflibnet Center in 2011 to contribute all PhD theses fulltext to host on this indian theses repository.

- As of 2023, about 675 PhD theses are uploaded on the Shodhaganga Portal.

- Privides open access, enhances exposure to and impact of research output

- Helps students in understanding the emerging trends in their subject area

- Please visit *http://library.tiss.edu* to know more about this service or call **022-25525273 / 76 at Inflibnet Centre, SDTM Library , TISS Mumbai**
