# Digitization Projects

**The Indian Journal of Social Work (IJSW)** is a pioneering publication of the social work profession in India, published by the Tata Institute of Social Sciences. The IJSW is published every January, April, July and October, and has entered its 69th year of uninterrupted publishing, a record in journal publishing. The first issue of the IJSW was published in June 1940. SDTM Library took the mammoth task of digitizing the journal since 1940. The database include all the articles, book reviews and notes published in Indian Journal of Social Work from Vol.1-76 (1940-2015). All the articles are in pdf format. A search interface has been provided using Greenstone Digital Library software. Fulltext Access **IJSW** on Intranet

**Sociological Bulletin** is the official journal of the Indian Sociological Society, started in the year 1952. The collection includes all the full text articles published in the journal "Sociological Bulletin " from 1952-2006. It is published thrice a year: January-April, May-August, and September-December. The digitisation work has been carried out at Sir Dorabji Tata Memorial Library, Tata Institute of Social Sciences, Mumbai. There are more than 600 research articles available in the collection. The CD of the Sociological Bulletin was officially launched at 33rd All India Sociological Conference in 2007.

**e-Study Material** : Compendiums/ Course Packs for all programmes: Library was the central agency for carrying out digitization work for hosting study material on Moodle. Inflibnet Centre handled this responsibility and supported faculty well by providing time bound support.

**Parsee Literature**: 150 years old Parsee literature of 10,000 pages has been digitized and made it available for the reference in CD-ROM format. The literature was in Gujarati script and the language was Parsee. Entire 32 volumes have been accommodated in THREE Cds.

**Balak**: The collection includes all the full text issues published in the journal "Bal Chetana: The Quarterly Bulletin of the Indian Association for Preschool Education" from 1975-1985. It is the official journal of the Indian Association for Preschool Education, New Delhi. It was published quarterly: February, May, August and November. The digitization work has been done at Sir Dorabji Tata Memorial Library, Tata Institute of Social Sciences, Mumbai. There are 40 issues available in the collection. The journal title was changed to "BALAK" in 1976.

**etd : Electronic Theses and Dissertations**: All the MA dissertations and Mphil/PhD theses submitted to TISS are made available in etd digital library. Library received a funding of Rs.4.00 lakhs for retrospective digitisation and about 2700 thesis and dissertations were digitised in 2014. All of them can be accessed on TISS Dspace Digital Library.

Please visit <http://library.tiss.edu> to know more about digitization or call 022-25525273/76 at Inflibnet Centre
