- The usage of eResources has increased over the years
- In 2015, over **3.73 lakh** articles were downloaded (on an average **1020** per day).

Driving factors of Increased Usage:

- **Library Portal** provides seamless integration of collections and services
- Every user is provided with **Remote Login** facility to access databases from outside campus.
- **Information Literacy /Training Programmes** to create awareness and research skills.
- **Liason Librarians** for personalised services and support for School specific needs
- Enhanced learning environment like **24 X 7 Cyber Library** facilities

Increasing eResources Usage @ TISS
